

Club Pointscore

The Club's race pointscore system is conducted for both the Road and Criterium seasons. The pointscore is sponsored by Bourke's Bicycles .

The following is a brief explanation of how the system works.

There are two pointscore methods, one for the Road season & one for the Criterium Season.

	CRIT	ROAD
Start Points	1	2
Finish Points	1	3
1st Place	5	10
2nd Place	4	9
3rd Place	3	8
4th Place	2	7
5th Place	1	6
6th Place	0	5
7th Place	0	4
8th Place	0	3
9th Place	0	2
10th Place	0	1

A rider finishing outside the top five in a Criterium receives start & finish points only e.g. 2 points. A rider finishing outside the top 10 in a road race receives start & finish points also e.g. 5 points.

When a rider moves between grades his points will be allocated as follows:

Up to 1/4 of the race program 75% of points

Up to 1/2 of the race program 50% of points

Up to 3/4 of the race program 25% of points

DNF's only receive start points. Visitors & non club members do not receive points.
